+Course cost does not include additional supplies. For more information about classes or possible supply fees see course descriptions.								
Non-Credit Course Descriptions								
<p>ACT Prep HIGH SCHOOL JUNIORS AND SENIORS: DON'T LET THE ACT TEST INTIMIDATE YOU! This course is designed to teach reading, English, science and math skills you will need to do well on your ACT test. Test-taking skills will be emphasized. Students must purchase Barron's ACT 2009 text, which will be available for \$20.27 at the first session. There will be no class on March 13.</p> <p>Applying for College Financial Aid and Hope Scholarship Don't let the financial aid process get you down. Learn how to apply, when to apply, who should apply, and what you are applying for. We will also take a look</p>				<p>at how to recoup some of those out-of-pocket expenses by utilizing the Hope Tax Credit and Lifetime Learning Credit. Pre-registration is required.</p> <p>Applying for College Scholarships and Essays This class is designed to help both high school and college students successfully apply for scholarship programs, colleges and universities, and department curriculums. The course will include guidance on completing application forms, requesting references, composing letters, and constructing essays. Class will not meet on January 18.</p>				

Baking Creative Sweets Are you a baker at heart and do you love creating sweet treats? Then this is the class for you! Join us and learn how to create a number of sweet treats that you and your family will enjoy. Unique aspects that will encourage you to try a different approach to baking will be covered. You will also be able to take your creations home. A supply fee of \$30 payable to the instructor the first night of class covers the cost of food.

Golf Basics Come find out why this sport is so popular. Basic fundamentals will be covered and reviewed, including rules and etiquette, as well as instruction on all phases of the game. Safety and key components will be learned including putting, chipping, and swinging. Students' questions and concerns will also be explored. This class will help you enjoy the game of

a lifetime. Supply fee of \$10 to instructor covers cost of range balls.

Saving Energy How It Benefits You! Would you like to lower your utility costs? Join us in this free workshop for the community and learn energy efficiency basics that can lower your heating/cooling costs and leave more money in your pocketbook! You'll be amazed by the simple things you can do that won't cost anything. *Workshop offered in cooperation with Ameren.*

Social Networking Have you heard of Facebook, MySpace, or Twitter? Join us as we discuss the latest fad of social networking websites. Discover how these sites connect people on computers as well as on mobile phones. Learn about the pros/cons of social networking and how you can visit and communicate with family via the internet.
