Non-Credit Course Descriptions

Kids in the Kitchen *Easter* Hop on in and join us for a fun-filled evening in the kitchen. Kids will learn basic cooking instruction while making a delicious Easter treat. They will also make an Easter/Spring craft to take home. Supply fee is \$5 payable to the instructor.

Rug Making *Toothbrush Handle* Remember the hand crocheted rugs your grandmother made and had in her house? Now you can learn a much easier and quicker way to make them using the handle of a

toothbrush. No sewing or crocheting knowledge required. This is a great way to turn scrap fabric into a sturdy rug that is also machine washable. Bring several yards of fabric already cut 2½" wide. (Note: denim material needs to be cut into 1" strips). Length of strips doesn't matter because they will be tied together. The amount of fabric needed will depend on size and shape of rug you create. (Example: 9 yards of fabric = 18" x 36" oval rug). Toothbrush handle tools will be available from instructor for \$2.
