Registration Information

1. Mail In

Complete your registration form, attach your registration fee and mail to:
Rend Lake College, Mail Code 64, 468 N. Ken Gray Pkwy, Ina, IL 62846

3. Phone In (Credit or Debit Card only)

Call us at (618)437-5321, x1714 or (800)369-5321, x1714
to register over the phone. A signature is required for credit classes.

2. Walk In

Rend Lake College, Student Center Room 204
Monday—Thursday, 8a - 4.30p; Friday—8a - 4p

4. Email

Email us at commcorped@rlc.edu to inquire about
upcoming classes and preregister.

Cancellation of Classes

If you are considering taking a class, please call and let us know at least 1 week prior to the start of the class. Otherwise, low enrollment classes may be cancelled.

Withdrawal/Refunds

Students in Community Education classes may withdraw and receive a full refund by contacting a Community Education representative at least 5 business days in advance of the first class or at least 10 business days in advance of a day tour/trip unless otherwise noted. Please call (618)437-5321, x 1714 if you must cancel your enrollment.

Residency

With Community Education classes (COMED, CNTED, ILR) you can reside in or out of district—the fees are the same. We encourage anyone who has an interest in our classes to attend.

Senior Citizens

Senior citizens, by showing proof of age, may enroll in credit courses offered by the College without paying tuition. Senior citizens must pay lab, facility, technology, telecourse or material fees. A senior citizen is defined as a person sixty (60) years of age or older. Senior citizens may be charged a fee of \$50 or more for repeating classes more than credit can be claimed. This does not include Community Education (COMED, CNTED, ILR) classes.

Personal Enrichment

Classes offered in Ina, Benton, Mt. Vernon, Christopher, & Pinckneyville.

12 Sprays of Spring

Welcome the fresh scents of spring all year with essential oils! The sprays are a simple and inexpensive way for new users to experience essential oils firsthand. You will create sprays to take home during this class.

\$10 (\$6 supply fee to instructor per spray)

Instructor: Katrina Cerutti

COMED 7335-53

Monday, 2/11, 5:00pm –7:00pm

Main Campus, Student Center, Room 110

All About Essential Oils

Curious about essential oils, but feeling overwhelmed by all the options? Join instructor Katrina Cerutti as she discusses the basics of essential oils. She will go through the 4 grades of oils and the differences in quality. You will also learn about carrier oils and the best ones to use for different skin types. She will even explain how to use and maintain a diffuser. Oil samples will be available.

\$10

Instructor: Katrina Cerutti

COMED 7335-51

Tuesday, 1/22, 5:00pm –7:00pm

Main Campus, Historic Schoolhouse

Android: Up Close & Personal

This course will cover the basics of using an Android phone. The instructor will be on hand to illustrate how to back-up text messages and voicemail, discuss security settings, and various other interesting things. He will be happy to answer any questions about your device.

\$15

Instructor: James Featherstone

Linux for Home User

This course will cover the basics of using Linux Mint, an easy-to-use operating system for personal use. The free system offers excellent security and provides all the basic programs needed to surf the web, send emails, create documents, produce presentations, and much more. Linux also offers countless applications free to download, giving students limitless options for personalizing their own machine. Each student will get their own computer to customize. The instructor will be on hand to illustrate how to connect to the Internet, help with downloading free applications, and answer any questions. Thanks to local donations, all participants will be able to keep their customized computer, excluding the monitor.

Instructor: Shelby Counts

COMED 1364-51

Thursdays, 1/3 -3/7, 4:45pm- 5:45pm

Main Campus, REC, Room 119

Principles of Street Rodding

Learn the principles of building a safe street rod. Whether you are a beginner or someone with experience looking for ideas, this is the class for you. A 1939 Chevy Coupe will be used for demonstration. Information covered in this class will include how to select the right project (what to look for and what to avoid), the paperwork involved from taxes to titles and certificates of origin, chassis and suspension options and selections, engine and transmission choices, selecting the right brakes and wheel/tire combinations. This class will also focus on the body of the car with hands-on instruction. During one portion of the class a demo from RideTech will be doing a demonstration of their suspension parts. Participants should wear long pants and closed-toe shoes and should bring safety glasses and welding glasses or hood. This course is designed for those 16 years of age and older. (Participants under 16 must be accompanied by an adult.) Register for one or both sections—each section will provide new hands-on experiences.

\$90 per section

Land of Lincoln Americorps

Now Accepting Applications for the
2019/2020 Service Year!

Looking for Rend Lake College Students wanting to serve their
community!

Rend Lake College members provide direct service to the
community. In return, members receive a living allowance and
education award to help finance their college education or
vocational training, or pay back student loans after successful
completion of service.

For more information on how to apply, please contact the Land of
Lincoln AmeriCorps Rend Lake College Campus Coordinator at
618-437-5321 x1351.

Institute of Lifelong Learning: Day Tours

Rend Lake College is partnering with John A. Logan to bring you the following ...

Bones, Beer Baron, & the Blue Owl

We begin with a visit to the Anheuser Estate, ancestral home of Fred and Mabel Ruth Anheuser. Fred’s great grandfather, Eberhard Anheuser, was the founder of E. Anheuser Brewing Company, the brewery that later became known as Anheuser Busch, producer of the world famous Budweiser Beer. After the Anheuser Estate tour, we will enjoy lunch at The Blue Owl restaurant. The Blue Owl has been featured on the food channel four times. Mary’s mile high levee pie was chosen as one of Oprah’s favorite things for her Christmas list a few years back. No one is disappointed with the food and especially not the dessert. You may even want to take home some of their famous apple butter. We will step back in time with a visit to Mastodon State Historic Site after lunch. The park contains an important archaeological and paleontological site – the Kimmswick Bone Bed. Here, scientists discovered the first solid evidence of the coexistence of humans and the American mastodon in eastern North America. Enjoy a brief film highlighting the park, a private ranger talk, and time to explore the museum which includes an impressive mastodon skeleton .

Tour fees, lunch, gratuities, and charter bus transportation are included.

You must pre-register by March 27th.

\$120

ILR 9300-01 **Friday, 4/26**

Gardens of St. Louis

St. Louis is home to one of the top 3 Botanical Gardens in the country. On this trip, we will visit the Missouri Botanical Gardens, home to the world’s first climatron building and at the forefront of plant holdings and biological research. You’ll enjoy a private tram ride through the Garden and take in the spring colors in bloom. You’ll also receive a gift card for lunch at Sassafras Café and have time to visit the amazing gift shop. After lunch we will head to Bowood Farms. Originally located in Clarksville, MO, this perennial grower expanded its reach into the St. Louis market and opened in the Central West End in a decaying warehouse. The visionaries at Bowood Farms saw the makings of a natural greenhouse-style facility and began the rehab in January 2005. Today, the Bowood team continually seeks out the best plant vendors to complement their offerings so there is always something in bloom no matter the time of year. Later that afternoon we will visit one of the newest public gardens in St. Louis, The Heman Park Bird Habitat Garden. The St. Louis region is on the great Mississippi migratory bird flyway. In addition to beautifying the area by utilizing native plants, the new garden will provide food and habitat for both local and migratory birds.

Tour fees, lunch, gratuities, and charter bus transportation are included.

You must pre-register by April 10th.

\$120

ILR 9300-02 **Thursday, 5/23**

Buses will depart and return from the following places and times:

- John A. Logan College Campus by tennis courts parking lot at 6:45am; return by 7:15pm
- Marion Cornerstone Church parking lot (by Sam's Club) at 7:00am; return by 7:00pm
- Rend Lake Main Campus at 7:30am; return by 6:30pm
- Mt. Vernon Marketplace at 8:00am; return by 6:00pm

COLLETTE VACATIONS 2019

RLC is partnering with Collette Vacations to offer our community exciting travel opportunities. Collette is known for handling the details with expertise while you realize the rewards of travel.

Iceland's Magical Northern Lights

The "land of fire and ice" is a place of many wonders, including the rare opportunity to see the spectacular aurora borealis – or northern lights. This tour will bring you on a search for that once-in-a-lifetime moment. Take an exhilarating evening northern lights cruise. Travel to the "Golden Circle," home to many of Iceland's most renowned natural wonders. Spend time at Thingvellir National Park, the nation's most historic area.

Gaze at the spectacular Gullfoss waterfall – one of the world's most incredible cascades. At the Lava Exhibition Center, learn about Iceland's volcanic history and its impact on daily life. Explore Skogar Folk Museum and see traditional turf-built homes. Walk on a black volcanic sand beach. See Jökulsárlón glacial lagoon filled with floating icebergs. Relax in the warm, mineral-rich water of the natural geothermal pool, the Blue Lagoon. Spend your evenings gazing at the night sky in search of the elusive and dazzling northern lights.

November 13-19, 2019

7 Days, 10 Meals

\$3,999 pp double occupancy

**Book early to take advantage of lower rates. Single and Triple rates available upon request.*

Discover the South Pacific Wonders

Explore two great countries of the Southern Hemisphere – Australia and New Zealand. From the tropical splendor of the Great Barrier Reef on Australia's northeast coast to the ethereal beauty of glacial fjords on New Zealand's South Island, this journey to the lands "Down Under" brings you the best of both countries at an enjoyable pace. Cruise Sydney Harbour and Milford Sound. Meet Australia's wildlife up close. Discover the wonders of Aboriginal culture. Indulge in regional flavors during lunch at a family-run merino sheep farm and experience Queenstown, the adventure capital of the world.

February 4 - 18, 2020

15 Days, 21 Meals

\$6,799 pp double occupancy

**Book early to take advantage of lower rates. Single and Triple rates available upon request.*

Informational Webinar

An **Informational Webinar** is available at www.rlc.edu/com-ed#collette-vacations. We will discuss the South Pacific Wonders trip and the Iceland trip. Details on an Early Booking Discount will also be provided.

Handgun Training

****Instructors have the right to refuse to train anyone based on their discretion.***

Basic Handgun Training

Learn the basics of using a handgun. The instructor will give you a brief overview of the laws pertaining to civilian use of force, types of handguns, and ammunition. Learn about the proper stance, gripping, loading, unloading, clearing malfunctions, firing a handgun and the rules of the range. You will get to step out on the range and practice the techniques you learn in the classroom. Bring ear & eye protection, your own handgun, ammunition (150 rounds) and valid FOID card. Wear old clothes. Must be 18+ years of age.

\$65

Instructor: Jeff Bullard

Main Campus, Applied Science Center, Room 102

CNTED 1642-01 Saturday, 4/6, 8am-5pm

CNTED 1642-02 Saturday, 6/8, 8am-5pm

CNTED 1642-03 Saturday, 8/17, 8am-5pm

Advanced Handgun Training

Once you've gotten the basics down learn more of the advanced techniques to firing a handgun. The classroom portion of this session will be more in depth as the laws of civilian use of force are covered. Also, learn about weak hand shooting, one hand shooting, one hand reloading, shooting on the move, and range rules. The range portion of this session will test your marksmanship using the techniques you learned about in class. Bring ear & eye protection, your own handgun, ammunition (150 rounds), and valid FOID card. Wear old clothes. Must be 18+ years of age. Basic Handgun Training is a prerequisite.

\$65

Instructor: Jeff Bullard

Main Campus, Applied Science Center, Room 102

CNTED 1643-01 Saturday, 4/27, 8am-5pm

CNTED 1643-02 Saturday, 6/29, 8am-5pm

Low Light Engagement Handgun Training

After you've mastered the Advanced Handgun Training, learn how to shoot in a low light setting.

Available in Fall 2019

*Once you have completed a course you may re-take the range portion during a scheduled class.

- Basic Handgun, 12PM-4PM, \$35
- Advanced Handgun, 9:30AM- 4PM, \$40
- Low Light Handgun, 6PM-10PM, \$35

Concealed Carry License Renewal

If your current CCL is due to expire in the next six months, then this class is for you!

What you will need for class:

- Valid FOID & CCL card
- You will need a handgun and two boxes of unopened ammunition. Handguns will be inspected by the instructors and must be approved prior to use.
- Students must attend the entire 4 hours of training; no exemptions will be given.

Class cost: \$50

Instructor: Ron Meek

Main Campus, Applied Science Center, Room 102

COMED 4386-01 Saturday, 1/26, 8am-12pm

COMED 4386-02 Saturday, 2/23, 8am-12pm

COMED 4386-03 Saturday, 3/23, 8am-12pm

COMED 4386-04 Saturday, 4/6, 8am-12pm

*Only 1 session is required for renewal.

****Instructors have the right to refuse to train anyone based on their discretion.***

Active Shooter Training

Prepare and learn how to react during an active shooter scenario in Rend Lake College's Active Shooter Training program. Designed for school and business professionals, the trainings will be offered to those interested in learning how to proactively handle an attack or intruder. RLC has ALICE (Alert, Lockdown, Inform, Counter, Evacuate) certified instructors who will teach three sections of Active Shooter Training classes at 8-hour, 4-hour, or 2-hour time spans.

The trainings can take place on campus, or be scheduled off-campus at schools or businesses to focus on specific building layouts. For more information, to schedule a training, or to inquire about training costs, contact Margo Wagner, Dean of Community and Corporate Education, at 618-437-5321, Ext. 1367 or wagnerm@rlc.edu.

Professional Development

CNA Instructor Course for RNs

This course is designed to provide nurses the knowledge and skills to become a CNA Instructor in Illinois. The program will prepare qualified registered nurses to develop and effectively teach basic CNA programs. The **Train the Trainer** and Alzheimer's Disease portion of class will be offered online. The Approved Evaluator Workshop Skills portion will meet face-to-face for one day. *RN's must meet the qualifications outlined in the June 2013 Illinois Administrative Code 395.160 Instructor Requirements.*

Registration deadline: March 8th

\$599 (Plus textbook)

Instructor: Joyce Steber

NURS 1625-Y30 Online: 3/18 – 4/26

Skills Workshop: Friday, 4/26, 8AM-5PM
Mt. Vernon, RLC MarketPlace, Room 221

Refresher Course for BNATP Instructors

This online course is being conducted in compliance with IL Admin Code 77 Section 395.160. Participants must be approved to teach theory, clinical and Alzheimer's content prior to registering for this course. This course must be completed prior to attending an approved evaluator workshop refresher course.

\$150

CNTED 1620-L1 Online: 4/22 –5/3

CNA Recertification

CNA's who have not worked for 24+ months but are eligible by IDPH Healthcare Worker Registry may recertify as a certified nurse assistant. Upon an approved background/fingerprint check, you will be scheduled to perform the 21 basic skills at a local clinical site. Successful performance of these skills provides access to the written test. *To find out if you are eligible, visit www.nurseaidetesting.com.*

CNTED 1620 \$275—Scheduled upon request.

Upcoming CE event for Nurses

Population Health
Tuesday, March 19, 2019
Main Campus, RLC Theater

For more information contact Kim Wilkerson at (618) 437-5321 x1775 or wilkersonk@rlc.edu.

Culinary

Food Sanitation

Learn to identify the causes of food-borne illness, identify and apply correct procedures for cleaning and sanitizing, recognize problems and potential solutions associated with facility, equipment and layout, and understand the Illinois code related to food service establishments. Successful completion of this course prepares you to take the Servsafe exam for Management and Sanitation Training. The exam is given at the end of the second session. Students must bring Photo ID to class. ServSafe Essentials Textbook is required and available at the RLC Bookstore or online.

COMED 5336-32	Beginning Microsoft Word	3/5 3/12	6:00pm - 8:00pm	T	RLC MarketPlace Room 338	\$25
COMED 5336-33	Beginning Microsoft Excel	4/2 4/9	6:00pm - 8:00pm	T	RLC MarketPlace Room 338	\$25

Beginning MS Word

Learn the fundamentals of word processing using Microsoft Word. Discover how to use the menu system and toolbars; open, reopen, print, save and close documents; insert/delete text, reverse an edit operation, apply font attributes to text, and move text blocks. Be trained on how to use Spelling/Grammar Checker, Thesaurus, the Help menu, and how to customize the AutoCorrect Dictionary.

Beginning MS Excel

Make working with numbers as easy as 1-2-3 by learning the fundamental operations of spreadsheets. Learn how to use the menu system and toolbars; open, reopen, print and close workbooks; and enter labels. Discover the secrets to adding values and formulas into worksheets, formatting spreadsheets by adjusting the size of columns/rows, using borders/shading, and changing the page setup.

Unmanned Aircraft Systems

Occupational Certificate program

Become certified in this new, cutting-edge technology before the spring season with classes starting in the Spring 2019 semester. Three consecutive courses last approximately six weeks each.

Spring 2019 classes meet
5 - 9:50 p.m. Mondays & Wednesdays
Advanced Technology Center
Room 178

Health-Related Occupations

Phlebotomy

Complete the certificate in one semester

Phlebotomists are responsible for collecting blood specimens as ordered by a physician or other health care professional. This one-semester program prepares students with practical, hands-on learning.

Medical Assistant

Complete certificate in two semesters or an associate degree in just two years

As a medical assistant, you will perform administrative duties like scheduling appointments, maintaining medical records and billing, plus clinical tasks such as taking and recording vital signs and medical histories, and more.

Pharmacy Technician

Complete certificate in as little as one semester

The Pharmacy Technician program gives you the technical skills and knowledge you need to practice in a variety of pharmacy settings. In this program, you will study the knowledge base needed to pass the National Pharmacy Technician Certification Examination offered by the Pharmacy Technician Certification Board.

Health Information Technology

Complete the HIT degree in only two years

The Health Information Technology program prepares you to collect, manage, and maintain records in health care facilities, in both paper and electronic formats. Health information technicians process patient information for health care providers, payers, and the government.

Medical Coding

Complete the Medical Coding certificate two semesters

Medical coders work to convert descriptions of medical diagnoses and procedures into universal medical code numbers for computer applications.

Other Allied Health Programs:

- Nursing
- CNA
- Radiologic Technology

Adult Education - High School Equivalency (HSE)

HSE classes help students prepare for the HSE Tests to earn their high school equivalency diploma. Students will develop critical thinking and problem solving skills while studying the subject areas covered on the HSE Tests. The Test of Adult Basic Education (TABE) assessment is used to determine appropriate placement in HSE classes. Classes are conveniently scheduled throughout the Rend Lake College district in Franklin, Jefferson, Hamilton and Perry counties.

Both day and evening classes are available.

For more information, contact RLC Adult Education at (618)437-5321, Ext. 1241.

Emergency Services

TNCC

ENA developed and implemented the TNCC for national and international dissemination as a means of identifying a standardized body of trauma nursing knowledge. TNCC is a 16-hour course designed to provide the learner with cognitive knowledge and psychomotor skills and may be officially attended by registered nurses with at least six months of clinical nursing experience in an emergency care setting.

What is ed2go?

Instructor-facilitated **online courses** that are informative, fun, convenient, and highly interactive.

All courses run for **six weeks** (with a 10-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more.

You can complete any course entirely from your home or office.

Any time of the day or night. 24 hour access! 7 days/week!

How to Get Started:

1. Visit our Online Instruction Center www.ed2go.com/ric.
2. Click the **Courses** link.
3. Choose the department and course title you are interested in and select the **Enroll Now** button.
4. Follow the instructions to enroll and pay for your course. You will enter your e-mail and choose a password that will grant you access to the Classroom.
5. When your course starts, return to our Online Instruction Center and click the **Classroom** link. To begin your studies, simply log in with your e-mail and the password you selected during enrollment.
